## **RECHI Retail Merchandising Solution for Retail Mobile Shop**

#### Follow us at **RECHI Retail**

## **RECHI Retail Company Brief Introduction**

**RECHI Retail** is a global provider of retail merchandising security and display solutions for electronic retail store since 2010.

Our business is starting from electronics acrylic POP display products, we have developed to a diversified group company focused on providing retail security and display products after 7 years.

Now we have three factories, including acrylic manufacturing factory, security products manufacturing factory and furniture manufacturing factory.

Our aim is helping the top electronic retailers worldwide to create a more better retail shopping experience, enhance efficiency, decrease shoplifter, increase profitability!
